

Rodef Shalom
CONGREGATION

Each year, East End Cooperative Ministries helps to place 500 men and women in stable housing and employment through their IMPACTS program (Individuals Making Progress and Change Toward Self-Sufficiency). Each person is provided with a *New Home Basket* and a *Cleaning Supplies Bucket* upon successful completion of the program to help begin their new lives in their new homes. We will be hosting a drive to help EECM stock these baskets through the month of March. Just drop off any of the items list below at Rodef Shalom Congregation and they will be dropped off to EECM the first week of April.
